Description

PFLAG London helps all persons within our reach who are struggling with issues of their sexual orientation, gender identity and gender expression.

We also support, educate and provide resources to parents, families, friends, and colleagues with questions or concerns regarding these issues.

PFLAG London offers monthly peer support meetings at the [Middlesex London Health Unit](#) on the third Monday of every month from 7pm-9pm.

PFLAG London is a Chapter of the national charity organization PFLAG Canada.
